We Are Peace

**Join area residents
and millions of
people all over
the planet to create
inner peace and
world peace
for 2015.**

**All peacemakers
and
all paths to peace,
both sacred
and secular,
are welcome
and honored.**

Ferguson High School Auditorium

1101 Hilltop Drive, Loveland (.06 mile West of Taft & North 11th Street)

**Community event includes the John Randolph Price World Healing Meditation,
along with music, prayers, speakers, and information from
a wide variety of local faith, humanitarian, and peace groups.**

Also known as World Healing Day and World Peace Day, the Hour For Peace is a global effort launched in 1986 by John Randolph Price and the Quartus Foundation to offer people all over the world an opportunity to gather together for peace, love, understanding, and forgiveness through a simultaneous global mind-link at noon Greenwich Mean Time on December 31st of each year. Based on the Quantum Physics principle that thought and prayer can direct energy and thus create reality, the event is designed to synchronistically join millions of minds around the world in prayer, meditation, music, art, dance, poetry, readings, dialogue, and other ways to focus on and manifest lasting peace on Earth.

*We are Love. We are One.
We are how we treat each
other when the day is done.
We are Peace. We are war.
We are how we treat each
other and nothing more.*
